### From the Desk of Ms. Beedle

Class class,

I am so happy that I was able to hear from so many of you this week! It seems like you are all finding ways to keep busy.

I am also trying to occupy my time at home. This week I decided to do some spring cleaning. I already have a full box of clothes to donate. It makes me feel good to know I will be able to help someone by donating things I no longer use or need.

Your mission this week, should you choose to accept it, is to find at least one thing that you may want to donate in the future. Set it in a box out of the way, like in your basement or garage. If you don't think about using it in the next few weeks do you really need it? Or could someone else enjoy it?

Love always,  
Ms. Beedle

HAPPY  
BIRTHDAY

Birthdays:
